

2010/2011 GREELEY SEMINAR CALENDAR

Get expert insight and advice from industry thought leaders and connect with peers on your most challenging issues.

Presented by some of the country's most motivational and effective healthcare educators, The Greeley Company offers seminars for all your credentialing, privileging, and physician leadership needs. These programs provide new, cutting-edge strategies and tools for dealing with traditionally difficult areas, as well as practical, actionable strategies to address the hottest and most challenging new issues in the field. They can also serve to orient individuals in new positions, such as department chairs, medical directors, credentials and quality committee members, medical staff officers, MEC members, and credentialing professionals, to their important daily responsibilities.
